## ATLS Educators: Preparation for ATLS 11

The ATLS 11th Edition Instructor Course has been rewritten, incorporating the latest in adult education research and application. The ATLS Global Symposium (details above) will include an Educator Track intended to upscale ATLS educators. Authors of the new edition will present the updated content and facilitate interactive, live demonstrations for each area.

By attending the Global Symposium Educator Track, ATLS educators will be considered “upscaled” and will not need to complete additional online training. ATLS educators with questions can reach out to the ACS Trauma Education Team at [traumaeducation@facs.org](mailto:traumaeducation@facs.org), or Alicia Ponton-Carss, Senior Educator Advisory Board Co-Chair, at [alicia.carss@gmail.com](mailto:alicia.carss@gmail.com).
